Election

Dear Sir:

In response to Examiner's Second Restriction Requirement dated July 19, 2004,
 Applicant hereby elects Group I, FIGs. 1-5.

At least independent claims 1 and 49 are generic to the species of Groups I, II, and III. Hence, independent claims 1 and 49 cover the species of Group I. At least claims 1-13, 19-38, 49-73, and 80-81 read on Group I (FIGs. 1-5). Claims 2-48 depend from claim 1, and claims 50-81 depend from claim 49. If generic independent claims 1 and 49 are patentable, then claims 2-48 and 50-81 are patentable as well based at least upon their dependency from an allowable generic claim.

Please contact Applicant's attorney with any questions regarding this matter.

Respectfully submitted,

 Barry W. Dove
